EFOA 2027

Enteric Fistula and Open Abdomen

26 – 27 August · Copenhagen · Denmark

Welcome

to the EFOA 2027 International Symposium!
Our goal is to create a collaborative environment where all delegates can openly discuss, learn from one another, and ultimately elevate the standard of care. These patients often face significant challenges, and our collective effort can make a real impact on their quality of life.

Target audience

Our target audience includes surgeons at all levels. We aim to bring experts deliver a comprehensive curriculum designed to empower surgeons who may not specialize in this area but encounter these complications in their practice. The Symposium will be especially relevant for:

- Colorectal Surgeons
- Emergency Surgeons
- Oncology Surgeons
- AWR surgeons
- General Surgeons
- Intensive Care Specialists
- Gastroenterologists
- Nutrition Specialists
- Intestinal Failure and IBD Specialists
- Stoma and Woundcare Nurses

Important dates

Symposium dates:	August 26 - 27, 2027
Registration opens:	Early 2027
Abstract submission opens:	April 2027
Venue:	Scandic Spectrum
